### HAND-FREE FLUSH

Aquilo intelligent toilets and cleaning seats feature hands-free operations and automatic Flushing and deodorization for a fresh bathroom.

### DUAL WAND, DOUBLE CLEANING

Front wash and rear wash separately, the wand is covered when power off, which avoid outside pollution. Easy to replace and clean.

### DEODORIZING SEAT

Upon sitting down, a fan activities, which pulls air from the toilet bowl through a carbon filter to remove odours and help keep your bathroom fresh.

### HEATED SEAT

Aquilo's ergonomically designed seats are heated the temperature can be adjusted for optimal comfort.

### TOUCH-SCREEN REMOTE

The intuitive touch -screen remote can be mounted to the wall, and it works like a smart phone, allowing you to program and control your personal setting with a simple touch.

### NIGHTLIGHT

A built-in light help to guide you to then toilet and find the bowl without having to turn on your overhead lights and disturb your nighttime vision.

### WARM-AIR DRYER

The warm-air dryer can be adjusted to customised your experience and assists in the drying process to help provide personal comfort and assurance.
